Your Racers Net; \$511.50

THE OFFICIAL SHIFTER OF THE  
HURST PATRIOT GSS CHALLENGER

The Billet Plus 2 SHIFTER for 2009 - 2017 Dodge Challenger 6-speed. The industry standard for over 30 years, this Billet Plus performance short shifter kit for the 6-speed Dodge Challenger is the perfect compliment to this modern muscle car! Precision engineered and CNC machined from the highest quality billet alloys, this kit comes with a chromed Hurst stick and classic white knob but will also accept factory knob or a classic Hurst pistol grip! You can now benefit from the research and development that went into the same shifter that is standard equipment in the mighty Hurst Hellcat GSS Challenger for your car. Moderate shift throw reduction will allow you to rip through the gears with quicker and more precise shifts.
