Your Racers Net; \$5.95

Note: shown with shadow for presentation purposes.

A mirror image of the original dash and console emblems that were included with Hurst Competition Plus Shifters in the 1960's, these new Hurst shifter emblems have been reproduced under license from Hurst and provide the perfect finishing touch for the interior of your favorite vintage muscle car. The emblem features the correct 4-speed shift pattern and is guaranteed to be an instant conversation starter. Installs in seconds, no tools required. Actual Size: 3 3/4" x 2 1/4" PROUDLY MADE IN THE U.S.A.
