

Hurst Lowering Springs

For the following vehicles:

2016 - 2017 Chevrolet Camaro

Usually ships in 1 business days

Your Racers Net \$239.95

HURST Lowering Springs are the perfect choice to lower your Camaro.

High quality gold hammertone coated springs provide the perfect stance for enhanced handling and appearance.

Hurst Lowering Springs are standard equipment on the Hurst RPO SERIES L/78 Camaro

Each kit includes front and rear springs. Note that the springs are vehicle specific.

We will need to know the exact year and model of your vehicle.
