

MR. NORM'S FUNCTIONAL HOOD PIN KIT

FITS ALL 2008 – 2017 DODGE CHALLENGERS

As seen on the cover of Cars & Parts Magazine

HOOD PIN KIT INFORMATION

The Mr. Norm's Challenger Functional Hood Pin Kit was inspired by the hood pins on the original 1970 Hemi Challenger and Hemi Cuda's. The appearance is correct, right down to the threaded chrome pins, stainless steel bezels and coated lanyards. They are the perfect complement to all late model Challengers and are standard equipment on the Hurst Hellcat GSS Challenger

PRODUCT MANUFACTURING INFORMATION

The Mr. Norm's Challenger Hood Pin Kits are proudly Made in the USA from only the highest quality American made products. Each hood pin kit is a near mirror image of the original hood pin kits that Chrysler used on the 1970 Hemi Challenger and Hemi Cuda. The only exception is the powder coated steel mounting bracket that was designed especially for 2008 – 2017 Challengers.

Challenger Functional Hood Pin Kit is standard equipment on the Hurst Heritage GSS Challenger
