

MR. NORM'S 71 HEMI CUDA STYLE FENDERS

FITS ALL 2008 – 2017 DODGE CHALLENGERS

As seen on the cover of Pentastar Power Magazine

FENDER INFORMATION

The Mr. Norm's GSS Cuda Front Fenders for 2008 – 2017 Challengers were inspired by the original 1971 Hemi Cuda Gill Front Fenders. The appearance is authentic right down to the shape and openings for the gills. In fact, they are so real that the chrome accent trim is actual reproduction 1971 Hemi Cuda Chrome Fender Gills, along with the matching hardware.

PRODUCT MANUFACTURING INFORMATION

The Mr. Norm's Cuda Gill Front Fenders for 2008 – 2017 Challengers are made from brand new Mopar fenders. They are mounted on a Challenger body in white and stamped with a custom made tool and die. This is the only accurate reproduction of the original 1971 Hemi Cuda Gill Front Fenders available. They are made specifically for all 2008 – 2017 Challengers, and Proudly Made in the USA.

The Racers Net for the Challenger Cuda Gill Front Fenders is only \$ 1095.00 plus shipping. Usually ships in 7 – 10 business days. Note that no discounts apply to this product Call GSS SUPERCARS at 760-630-0547 and order your Challenger Cuda Gill Front Fenders today!
