

MR. NORM'S

GSS CHALLENGER REAR WINDOW LOUVER KIT

FITS 2008 – 2017 DODGE CHALLENGERS

REAR WINDOW LOUVER KIT INFORMATION

The Mr. Norm's GSS Challenger Rear Window Louver Kit was patterned after the original 1970 Dodge Challenger T/A rear window louver. The fit, contour and shape of the GSS Rear Window Louver Kit was developed especially for 2008 – 2017 Dodge Challengers. It features a custom made aluminum frame, and the aluminum louvers that are custom shaped especially for all late model Challengers. Like the original, it features hinges, pins and lanyards that allow the rear window louver to be lifted open for easy access to clean the rear window.

PRODUCT MANUFACTURING INFORMATION

The Mr. Norm's GSS Challenger Rear Window Louver Kit is manufactured in the U.S.A. from only the highest quality products and is powder coated for long life. Detailed instructions are included.

As seen on the cover of Pentastar Power Magazine
