## R-CODE DAYTONA AERO REAR WING

### FITS 2015 – 2018 MUSTANG COUPE & CONVERTIBLES

#### DAYTONA AERO REAR WING INFORMATION

The R-CODE DAYTONA AERO REAR WING is a dramatic enhancement that is designed to fit all 2015 – 2018 Mustangs and is standard equipment on the Hurst Heritage by GSS Kenne Bell R-CODE Mustang. The fit, contour and shape of the Daytona Aero Rear Wing was developed to complement the design of 2015 – 2018 Mustang coupes and convertibles. The Daytona Aero Rear Wing infuses late model Mustangs with a real race theme that matches the performance of these exciting pony cars.

#### PRODUCT MANUFACTURING INFORMATION

The R-CODE Daytona Aero Rear Wing is manufactured utilizing precise toolings and made of urethane for ease of prep and paint and installation. Detailed instructions are included. As seen on the cover of Muscle Mustangs & Fast Fords

The Racers Net for the Daytona Aero Rear Wing is only \$ 495.00 plus shipping.
