

GSS SUPERCARS

R-CODE MUSTANG FRONT FASCIA

FITS 2015 – 2017 FORD MUSTANGS

FRONT FASCIA INFORMATION

The GSS Supercars R-CODE Mustang Front Fascia is infused with a high octane dose of Mustang DNA. The design was inspired by the ultra-high performance wild stallions from the muscle car era that are highly collectible today. The GSS Supercars R-CODE Mustang fascia is a direct replacement for the factory part. It offers OEM quality amplified with a more aggressive appearance. In addition, the fascia is designed for easy installation of the stock grilles, driving lights and turn signal lights.

PRODUCT MANUFACTURING INFORMATION

The GSS Supercars R-CODE Mustang Front Fascia is made from polyurethane polymer and ready for prep and paint. The front fascia is a perfect replacement for the stock part and is compatible with all of the stock mounting hardware, parts and impact absorber. The GSS Supercars R-CODE Mustang Front Fascia is easy to install using simple hand tools.

Racers Net for the R-CODE Mustang Front Fascia Unpainted is only \$899.95 plus shipping.
Note: Shown with optional Daytona Aero Front Lower Splitter with Heim Joints and Uprights
